**A Young Stallion with a very promising competitive career ahead of him**

Daiquiri is a liver chestnut, British Warmblood Stallion of extremely modern type. He is 16.1hhs with 8.5 inches of good, flat bone.

His conformation is excellent, providing him with three straight outstanding paces and superb natural balance. He is a born performer who couples great athletic ability with the most kind and willing temperament. He has a wonderfully quick propensity for learning.

Since winning the British Equestrian Federation Dressage Championship at Hickstead Grand Masters CDIO with 81% Daiquiri has progressed through the grades and is now competing at Medium Level and working at Advanced Medium at home.

He has the most wonderful, equable temperament and movement that is simply breathtaking. His stock show refinement, elegance and inherit his good looks and fabulous athleticism.

“A Good Type ... A very good mover ... We liked his bascule ... a good jumper”  
Dr Hanfried Haring, German FN.

Daiquiri won the coveted four year old National Championship in the Dressage Evaluation series at Hickstead International Dressage Master GDIO in August 2006 with a final score of 81%.
